Making the Best Machine in the World' Above is a representation of Dodge's Patent Reaper with the improved Automatic Self Rake, as it appears in the harvest field. By a look at this illustration the observer will see the main features of the two old favorite machiner in Ohio known as Ball's Ohio Mower and the Buckeye, with such improvement as the manufacturers thought necessary to perfect the working of the machine. One great item of this improvement is the addition of Bodge's Improved Self Rake, which is geared at the heel of the finger bar and sweeps around on a circular rest as neatly as a fiving machine. One bottle of Dr. Radway's Renovating Reolvent contains more of the active curative principles of the best Jamaica Sarsaparilla, Sarsaparillan,) than Ten of the largest size of Sarsaparilla.

The process adopted by Dr. Radway

securing extracts (prepared in vacuo,) Medicinal Roots, Plants, Herbs, and other vegetables possessing great curative proper ties over Scrofula, Chronic, Syphilitic an all skin diseases, that enters into the com-position of the Renovating Resolvent, prouces only ONE OUNCE of the pure extra out of 20 lbs. of the crude roots. The Iner matter that enters so generally in the large bottle mixtures and prepared under the offi cinal or pharmacopeia formula, is, by Dr. Radway's process, cast aside as rubbish. One teaspoonful of the Resolvent is suffi-cient for a dose for all Skin Diseases, Salt Rheum, Pimples, Blotches, Sores and Erup-tions of the Skin, Humors in the Blood, &c. One teaspoonful, three times per day, will, in a few days, make the Blood pure, the Skin clear, the Eyes bright, the Complexion smooth and transparent, the Hair strong, and remove all Sores, Pimples, Blotches, Pustales, Tet-ters, Cankers, &c., from the Head, Face, Neck, Mouth and Skin. It is pleasant to take,

and the dose is small.

The first dose that is taken seizes on the disease and commences its work of resolving away all diseased deposits, Purifying the Blood, and driving corruption from the system.

The Renovating Resolvent, if used in any of the following named complaints, will po tively cure the patient:

The annual reports of the Health Com-missioners of different cities, show a great increase of deaths from diseases of the Kid-neys and Urinary Organs—RADWAY'S RENOVATING RESOLVENT is the only emedy that has dissolved calculous concret Its SOLVENT, discretic, litha tonic properties exceed that of any medi-cine in the world: it readily assimilates with the fluids, and promotes their exit through the Kidneys, Ureter and Bladder, removing calculous obstructions, and correcting all derangements of these organs. , So swift is this remedy in passing into the cu culation, that it has been detected in the urine

or minutes after it has been taken; by adding to the liquid when cold a few pieces of starch then a few drops of nitric acid, the liqui will change to a blue color. When brie dust, or a thick white deposit, like the white of an egg, (albumen,) is detected in the ves sel, or bloody discharges from the urethra or micturating in drops, accompanied by a burning or scalding pain—the RESOLVENT abould be used, and B.
